BASIC OBJECTIVES

The purpose of these policies is to bring into the service of Weakley County the high degree of understanding, cooperation, efficiency, and unity which comes through systematic application of good procedures in personnel administration, and to provide a uniform policy for all employees, with all the benefits such a program insures. The fundamental objectives of good personnel administration sought to be achieved by these policies are:

1. To promote and increase efficiency and responsiveness to the public and economy in Weakley County Government.
2. To provide fair and equal opportunity to all qualified citizens to enter Weakley County employment on the basis of demonstrated merit and fitness as ascertained through fair and practical methods of selection.
3. To develop a program of recruitment and advancement that will make Weakley County service attractive as a career and encourage each employee to render his/her best service.
4. To establish and promote high morale among Weakley County employees by providing good working relationships, a uniform personnel policy, opportunity for advancement, and consideration for employees needs and desires.

EMPLOYMENT AT WILL

No policy, benefit, or procedure contained herein creates an employment contract for any period of time. All employees will be considered employees-at-will. Employees may be terminated for failure to satisfactorily perform their duties or simply at the will of the employer, but they shall not be terminated for a discriminatory or illegal purpose. Certified Teaching Personnel are not included.

PERSONNEL FILES

An individual personnel/payroll file will be maintained on each employee. It is the responsibility of each employee to provide accurate information to the employer. Employees are also responsible for reporting to the employer any change in the information that they have previously provided. All personnel/payroll files are to be kept centrally located in the Department of Finance.

IMMIGRATION PAPERS

In 1986, the U.S. Congress passed the Immigration Reform and Control Act. The purpose of this legislation was to preserve jobs for American citizens and aliens who are authorized to work in the United States. If for any reason you have not completed a Form I-9 for the purposes of complying with the Act, please tell your hiring authority immediately. Upon initial employment, all employees are required to attest that they are lawfully eligible to work in the United States. Employees are further required to supply to the employer copies of documents proving this eligibility.

PAY PROCEDURES

The departments of Weakley County have different paydays and pay periods. You will be informed by your department head and/or supervisor of your specific payday. For hourly paid

employees, a time sheet shall be turned in for each period signed by the employee to be paid for that period. This time sheet shall show sick leave, holiday leave, and vacation time if applicable. The workweek for Weakley County employees begins at 12:01 AM on Sunday and ends at 12:00 midnight on Saturday each week. The regular workweek for Weakley County employees is forty (40) hours, except certain law enforcement employees for whom a different work schedule is permissible under the Fair Labor Standards Act. Employees who are paid on an hourly basis will receive compensation at their regular rate of pay for all hours worked up to and including 40 in the workweek. All employees (excluding substitutes) will have their payroll disbursed over 12 monthly pay periods excluding highway department employees and they will be paid biweekly.

OVERTIME (Certified Teaching Personnel are not included)

Overtime is the time physically worked over forty (40) hours in the workweek. Employees who work overtime are entitled to compensation for such hours, either in cash at the rate of one and one-half times their regular rate of pay, or (with a prior agreement or understanding between the employer and employee) compensatory time off at the rate of one and one-half hour for each hour of overtime physically worked. Employees shall not work overtime without first receiving the approval of their supervisor. Any employee who works overtime without obtaining advance approval of the supervisor as required may be subject to disciplinary action, up to and including termination of employment.

COMPENSATORY TIME (Certified Teaching Personnel are not included)

Compensatory time may be given to those employees who work overtime as provided in the section on "Overtime" and with whom the county has a prior written agreement or understanding that the employee will accept compensatory time instead of cash payment for overtime. Employees must use their accrued compensatory time, and the county will make every effort to grant reasonable requests for the use of compensatory time when sufficient advance notice is given and the workplace is not unduly disrupted. The county reserves the right at any time to pay an employee in cash for any or all accrued compensatory time. Compensatory time is the time worked over forty (40) hours in the workweek. Accumulated compensatory time cannot exceed 240 hours (Fair Labor Standards Act). (If possible, compensatory time must be used in the SAME pay period it was earned.)

TIME RECORDS (Certified Teaching Personnel are not included)

Employees are required to record their hours on the forms provided for this purpose. Employees are required to fill in this form and at the end of the payroll period, sign and forward them to your supervisor for review and processing. Please ensure that actual hours worked and leave taken are recorded accurately. Falsifying these records is a crime under T.C.A. §39-16-504.

Weakley County has established a job safety and health protection program for its employees which is approved by the state. The Safety Director is responsible for keeping the latest information on file and keeping the handbook in agreement with the county safety policies.

However, employees also have responsibility to comply with TOSHA standards, rules, regulations, and orders issued pursuant to the program.

All injuries or accidents, no matter how minor they seem, whether it be to an employee or a visitor, must be reported at once to the Department Head. In compliance with the Tennessee Occupational Safety and Health Act of 1972, the Tennessee Worker's Compensation Form is to be filled-out by the supervisor or department Head within twenty-four (24) hours of an accident. One copy is to be retained in the department and one copy is to be forwarded to the OSHA/Personnel Director. TOSHA Form 200 will be maintained at the Weakley County Courthouse by the TOSHA/Administration Assistant.

All employees should cooperate in helping prevent injury to themselves, other employees, and visitors by observing the following Safety Rules.

This time may not be used for weekend drills. Such requested leave shall be supported with copies of the armed forces orders.
- B. Full-time employees who are members of a military reserve unit who have completed their military training duty for the calendar year, and are reactivated for additional training, will be allowed an additional twenty (20) days paid military leave if the additional military training: (1) occurs during the same calendar year; and (2) fulfills the employee's military training obligation for the subsequent calendar year.

These rights and benefits are in addition to those set forth in subsections A and B of the Military Leave section of this handbook. A copy of these Code Sections can be obtained from the Department of Finance upon request.

"Qualifying Exigency" Leave

An employee is entitled to take leave for a "qualifying exigency" arising out of the fact that a spouse, son, daughter, or parent of the employee is on active duty or has been notified of an impending call to active duty in support of a military operation in which armed forces are or may become involved in actions against an enemy or opposing force, or during a war or national emergency. This leave is subject to the 12-workweek limitation on FMLA leave in a 12-month period.

Service Member Family Leave

An employee who is the spouse, son, daughter, parent or next of kin (nearest blood relative) of a service member who is undergoing medical treatment, recuperation, or therapy, or is otherwise in outpatient status or on the temporary disability retired list for a serious injury or illness incurred while on active duty, may take up to 26 workweeks in 12-month period to care for the service member. However, this leave will be combined with any other FMLA leave the employee takes in the same period, and the combined total is not to exceed 26 workweeks. Also, this leave is available only during a single 12-month period.

An employee must meet the requirements for eligibility for FMLA leave (have been employed for at least 12 months and have worked at least 1,250 hours in the preceding 12-month period.)

If the employee requests intermittent leave or leave on a reduced schedule, the employer may require the employee to transfer temporarily to an alternative position with equivalent pay and benefits that better accommodates the leave.

The leave is not required to be compensated. However, the employer may require or the employee may elect, to substitute any accrued paid vacation, personal leave, family leave, or medical or sick leave.

If the need for leave is foreseeable, the employee must give at least 30 days' notice, or as much notice as is practicable.

Leave of a husband and wife employed by the same employer is limited to a combined total of 26 workweeks for service member family leave, and to 12 workweeks for a qualifying exigency.

Medical certification may be required, as appropriate. For "qualifying exigency" leave, certification may be required as provided under the new regulations.

EQUAL OPPORTUNITY

It is the policy of Weakley County to provide equal employment opportunities to all individuals regardless of race, color, religion, sex, national origin, age, disability, status as a Vietnam-era veteran or special disabled veteran, or status in any other group protected by law. This policy extends to all terms and conditions of employment, including but not limited to hiring, placement, promotion, termination, layoff, recall, transfer, leaves of absence compensation and training. It is the policy of Weakley County to make reasonable accommodations for qualified individuals with known disabilities unless doing so would result in undue hardship. Employees or applicants with questions or concerns about any type of discrimination in the workplace are encouraged to bring these issues to the attention of the immediate supervisor or department head. Employees can raise concerns and make complaints without fear of reprisal and with the assurance of protection from harassment or retaliation. Anyone found to be engaging in any type of unlawful discrimination will be subject to disciplinary action, up to and including termination of employment.

SEXUAL HARASSMENT POLICY

It is the policy of Weakley County to maintain a respectful work and public service environment. Weakley County prohibits and will not tolerate any form of unlawful harassment by or towards any employee or official on the basis of race, color, religion, sex, national origin, age, disability, status as a Vietnam-era veteran or special disabled veteran, or status in any other group protected by law. Any employee or official who engages in such behavior is subject to disciplinary action, up to and including termination of employment.

One particular kind of harassing behavior is sexual harassment. Sexual harassment, which can consist of a wide range of unwanted and unwelcome sexually directed behavior, is defined as:

Unwelcome sexual advance, requests for sexual favors and other verbal or physical conduct of a sexual nature when:

1. Submitting to the conduct is made either explicitly or implicitly a term or condition of an individual's employment or of obtaining public services; OR

3. Such conduct has the purpose or result of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

Neither sexual harassment nor any other form of unlawful harassment will be tolerated in the workplace. Employees are urged to report alleged incidents of unlawful harassment.

DISCRIMINATION/HARASSMENT COMPLAINT PROCEDURE

Discrimination, including harassment, in the workplace on the basis of race, color, religion, sex, national origin, age, disability, status as a Vietnam-era veteran or special disabled veteran, or status in any other group protected by law is illegal. If any employee believes that he or she has been subjected to illegal discrimination or harassment related to employment with Weakley County, the employee should report the incident promptly to the county official or department head under whose direction the employee works. If the problem is not resolved within a reasonable time, or if for any reason the employee feels uncomfortable reporting the problem to the county official or department head, then the problem should be reported to the County Mayor. No adverse personnel action will be taken against an employee for reporting a bona fide incident of discrimination or harassment or for assisting in the investigation of a complaint. However, disciplinary action may be taken against any individual providing false information in connection with a complaint.

DRUG FREE POLICY

It is the policy of Weakley County to provide a safe and healthy environment for its employees. Therefore, the following are strictly prohibited during working hours, while on Weakley County property, or while on Weakley County business:

The foregoing constitutes the policy of Weakley County on substance abuse. Violation of this policy is grounds for disciplinary action, up to and including immediate termination from employment. Weakley County may take all appropriate actions against violators, which may include referral for legal prosecution or requiring the employee to satisfactorily complete an approved drug use/alcohol abuse assistance or rehabilitation program.
